Duckhorn Vineyards and Calera named a “Top 100 Winery” in the world!

This year Duckhorn Vineyards and Calera are two of only 36 wineries in the U.S. and 23 wineries in California to receive this acclaim. This honor is bestowed to wineries throughout the world that have delivered the best performance in Wine & Spirits’ tastings over the past year. This is the 11th time for Duckhorn Vineyards and the 10th time for Calera to receive this recognition.
