St. Helena, CA--(BUSINESS WIRE)— The Duckhorn Portfolio (“Duckhorn” or the “Company”), North America’s premier luxury wine company, today announced that Enrique Morgan has been appointed Executive Vice President, Chief Sales Officer, effective August 11, 2025. Morgan is a Wine and Spirits industry veteran with more than 24 years of experience across the Americas. He most recently served as Senior Vice President, Wine and Estates for Moët Hennessy North America, where he spearheaded the creation and management of a cross-functional Wine and Estates team, successfully integrating Marketing, Finance, Sales, and Maison functions to execute a comprehensive North America strategy for one of the continent’s largest luxury wine portfolios. In his new role at The Duckhorn Portfolio, Morgan will oversee the wholesale sales, national accounts, export, sales strategy, analytics and sales operations teams.

“As The Duckhorn Portfolio approaches our 50th anniversary next year, we are thrilled to welcome Enrique to the executive team to help lead our continued growth,” said The Duckhorn Portfolio CEO Robert Hanson. “Our goal is to be the undisputed leader in American luxury wine, with a curated, comprehensive portfolio of growing and profitable winery brands. Enrique’s extensive experience in growing winery brands and businesses, building teams, strategic planning, facilitating organizational alignment, and driving profitable and value-enhancing initiatives will be instrumental in guiding the sales team and our company to achieve our goals.”

“I am excited to be joining such a dynamic and innovative team, especially at this impressive moment in the Company’s history,” said Morgan. “The Duckhorn Portfolio has a values-based, high-performance wine-industry culture with collaborative teams and an incredible ability to attract world-class talent that wants to win through collaboration and trust. I look forward to leading The Duckhorn Portfolio’s sales team and working with our distribution partners and customers to continue to exceed the expectations of our consumers.”

Hanson concluded, “I’d also like to recognize Pete for his decades of service to Duckhorn. He joined the organization in 1995 when Dan and Margaret Duckhorn led the business, starting as the Company’s first salesperson. Since then, he has made significant contributions to this organization through his hard work and dedication to our mission, vision, values and culture, including helping to drive nearly a 100-fold increase in revenue during his tenure. Most importantly, he has helped uphold and preserve the values and culture Dan and Margaret established in 1976 and has played a key role in establishing The Duckhorn Portfolio as one of the world’s leading luxury wine companies. We wish him the absolute best in his future endeavors.”
