ABOUT OUR WINEMAKER

Julien Howsepian has earned renown for creating elegant and intense wines prized for their thoughtful complexity, character, and soul. As Winemaker, he continues Kosta Browne's quarter-century legacy of crafting benchmark Chardonnays and Pinot Noirs.

ABOUT OUR WINEMAKER (cont'd)

“

Extraordinary
wines reflect the
interconnectedness
of many factors...
Understanding how
these elements
work together is
the essence of
great wine.”

—J.H.

Building on the accomplishments of former Co-founders Dan Kosta and Michael Browne, Julien Howsepian leads Kosta Browne's winemaking team, overseeing an acclaimed program that features almost 40 of California's greatest vineyards.

Raised in Northern California's Bay Area, Julien regularly traveled to France to visit family, including relatives in the wine industry. These early visits kindled Julien's appreciation for the culture of wine and led him to UC Davis, where he earned a degree in viticulture and enology.

Prior to joining Kosta Browne, Julien gained invaluable hands-on experience at several venerable California estates and in New Zealand's acclaimed Hawkes Bay region. “My dream has always been to make world-class wines,” adds Julien. “As a winemaker, it is both humbling and a gift to work with such amazing vineyards. Each one has a fascinating story to tell. For twenty-five years, Kosta Browne has been dedicated to telling these stories. To build on this legacy is an honor and a privilege.”

PORTFOLIO

APPELLATION SERIES

The Appellation blends are a result of our quest for the best Pinot Noir and Chardonnay grapes on the West Coast. Spanning from Anderson Valley, Russian River Valley, and the Sonoma Coast to Sta. Rita Hills, these wines are inspired by a desire to capture the essence of each growing region by blending individual vineyards and blocks that are most expressive of their AVA.

APPELLATION SERIES

2021 ONE-SIXTEEN CHARDONNAY

WINEMAKER NOTES

The marine influence that follows the Russian River inland from the Pacific coast is a powerful attribute of this region. The fog helps keep nights cool and offers vines a break from daytime temperatures.

The noteworthy Chardonnay vineyards we work with are from the coolest parts of the Russian River Valley. Here, the fruit is allowed to mature gracefully on the vine, which we find offers us more intensely focused flavors and generous natural acidity.

APPELLATION SERIES

2021 STA. RITA HILLS PINOT NOIR

WINEMAKER NOTES

The Sta. Rita Hills is located on the Central Coast in Santa Barbara County. Though one of the smaller AVAs in California, it is celebrated worldwide as an acclaimed cool-climate growing region for Pinot Noir.

The purely East/West maritime mouth that funnels cooling coastal fog and wind to the vines make this area truly unique. As a result, Pinot Noir from this region characteristically has beautiful natural acidity balanced by complex structure and concentrated flavors.

APPELLATION SERIES

2021 ANDERSON VALLEY PINOT NOIR

WINEMAKER NOTES

Sixty-five miles north of our winery in Sebastopol, CA, is the critically acclaimed AVA of Anderson Valley, located in Mendocino County. Lying 10-15 miles from the Pacific Ocean, the region is prone to wide diurnal temperature variation, which enables the grapes to ripen with great balance.

To capture the rustic beauty of this region and retain freshness, the wine was fermented predominantly in stainless steel, further creating a striking Pinot Noir. Intense aromas of black cherry, cranberry, and blueberry are enhanced by the expansively layered palate and uplifting acidity. A signature Kosta Browne Pinot Noir.

APPELLATION SERIES

2021 SONOMA COAST PINOT NOIR

WINEMAKER NOTES

The Sonoma Coast appellation overlaps with the Russian River Valley in many places and is similarly shaped by the ocean. Local geology can be complex, a direct result of being located on two tectonic plates.

We find ourselves drawn to vineyards that are particularly influenced by the Pacific Ocean and are fortunate to work with some spectacular sites. Together, they form a singular wine that is distinctively Sonoma Coast with enticing aromas of ripe blue fruit, layered acidity, and a powerful finish.

APPELLATION SERIES

2021 RUSSIAN RIVER VALLEY PINOT NOIR

WINEMAKER NOTES

There are many differences between vineyards in this small appellation, but the majority of them share a common influence – the cooling effect that follows the Russian River inland from the Pacific coast.

We have been fortunate to work with vineyards that span a diverse and varied view into a region that many would call the heartland of California Pinot Noir. No matter the vintage, there are often fresh red fruit characteristics, a recognizably full mouthfeel and lively texture to the wines from the area - a common thread to the components of this blend.

These limited production wines showcase Pinot Noir in a truly special way, allowing the character of each site and their unique sense of place to shine.

SINGLE VINEYARD SERIES

2021 MT. CARMEL STA. RITA HILLS PINOT NOIR

WINEMAKER NOTES

Established in 1989, Mt. Carmel is home to the acclaimed Sta. Rita Hills appellation. An extremely cool and windy site, Mt. Carmel is primarily dry-farmed, which ensures the roots of the vines dig deep into the site's exceptional diatomaceous earth soils, producing a wine that is both energetic and intricate.

This, combined with exceptional Tierra sandy loam and diatomaceous earth soils, produces a wine that is as intricate and dynamic as it is alluring. Subtle nuances of cedar and vanilla complement aromas of dried strawberry, boysenberry, and raspberry. A refreshing acidity flows across the palate, followed by impeccable cohesion. The harmonious palate highlights the grand energy and depth, embodying the character of Sta. Rita Hills. This wine is unapologetically delicious.

2021 GAP'S CROWN VINEYARD SONOMA COAST PINOT NOIR

WINEMAKER NOTES

Gap's Crown Vineyard is considered by many to be one of the best representations of what the Petaluma Gap AVA, the southern component of Sonoma Coast, is all about. Since we began working with this site in 2006, its meteoric rise into the pantheon of great Pinot Noir vineyards has been extraordinary.

Each year, this wine appeals to Burgundy fanatics and California Pinot lovers alike. Comprised of four carefully selected clones and utilizing a combination of fermentation vessels that include stainless steel, concrete, and wood, this wine possesses a magical quality—its consistent excellence year after year is a testament to its unwavering nature.

ESTATE SERIES

The Estate Series was born of our journey to find world-class Pinot Noir and Chardonnay sites in California and our commitment to sustainable farming and vineyard management practices. We methodically select clones and rootstocks, highlighting the vineyards' purest expressions, and utilize 20 different fermentation vessels to complement each lot produced. Hailing from Treehouse, Bootlegger's Hill, and Cerise vineyards, our estate wines reflect the most compelling characteristics of these revered sites.

2020 CERISE VINEYARD ANDERSON VALLEY PINOT NOIR

WINEMAKER NOTES

Over the past quarter-century, the Anderson Valley has emerged as the source for some of California's most distinctive wines and Cerise as one of the valley's most preeminent vineyards.

Rising from 587 to 1,620 feet, its steep, unforgiving terrain results in thought-provoking wines that combine an untamable spirit with arresting energy and opulence. Pinot Noir blocks sit on the eastern side of the valley, facing west, 16 miles from the coast. There is not a single block on flat ground. A medley of red and black cherry is encompassed by zesty blood-orange flavors, giving this wine a deep, soulful character—intensely satisfying.
