Points

An outstanding wine of exceptional complexity and character. In short, these are terrific wines

“The 2016 Pinot Noir Cerise Vineyard was aged 15 months in 35% new Austrian and 8% new French oak. Medium ruby, it opens with touches of tar and gunflint that give way to blueberries, blackberries, peppercorn, charcuterie, dried herbs and red berries. It’s medium-bodied and broody, giving up intense, savory layers with a surprisingly soft frame and well-woven freshness, finishing long and spicy.”

“Outstanding wines. These wines are outstanding for their type and are worth the extra effort to seeking out.”

“From Anderson Valley, the 2016 Pinot Noir Cerise Vineyard has a touch of old-world charm in its savory, complex bouquet of dried earth, forest floor, leafy herbs, and dried red fruits. Complex, weightless, and elegant on the palate, it’s a great example of the style of the 2016 vintage and will continue drinking nicely for at least 7-8 years.”
