POINTS

YEAR'S BEST
CABERNET SAUVIGNON
& BLENDS

Delicious, compelling; a compelling wine of its region; a delicious, finessed expression of place

“The pungency of fruit grown in volcanic soil infuses this wine’s mountain cool. Still adolescent, its tannins are tied to notes of eucalyptus and red-apple skin, clean but firm and unyielding. The fruit is present, the structure powerful but under control.”

- Josh Greene, *Wine & Spirits*
