Outstanding - “A full-bodied, creamy white, showing lots of ripe fruit on the nose with peach pie, baked apple and mango, followed by hazelnut and custard pastry on the palate.”

POINTS

“This Duckhorn Vineyards Chardonnay is a Goldilocks wine: not too big, not too light, not too sweet, not too acidic — it’s just right! Complex yet approachable, with juicy pear, hints of floral, a suggestion of minerality and a touch of oak spice, this is a wine to savor on its own or with food.”

Highly Recommended - “With grapes from such stellar sites as Hudson, Trefethen, Antinori and Stanley Ranch, this white is lush, seamless and sound across the board. It is approachable and fleshy in apple, pear and mango tones, accented by toasted oak and vanilla.”
