FARMING  
**Minimal  
irrigation due  
to ample rain**

CONCRETE  
**2% Fermented  
in concrete  
open tops**

FERMENTATION  
**4% Whole  
cluster**

With idyllic weather from start to finish, 2018 was one of the finest growing seasons of the past decade. Each wine within the Appellation Series embodies the unique qualities we cherish from the regions we work with.

There are many differences between vineyards in this small appellation, but the majority of them do share a common influence – the cooling effect that follows the Russian River inland from the Pacific coast. The resulting fog helps keep nights cool and offers vines a respite from daytime temperatures. In turn, these diurnal temperature swings slow down ripening and promote more evolved flavors in our grapes.

Over the years, we've been fortunate to work with many great vineyards that span a diverse and varied view into a region that many would call the heartland of California Pinot Noir. Our goal is to create a wine that showcases the essence of this magical appellation. This year, it was the latest harvest in the last five years. But, no matter the vintage, there is often a recognizably full mouthfeel and texture to the wines from the area - a common thread to the components of this blend. The round, spherical entry showcases the subtle cream, bramble and black cherry notes of this wine. A totally complete Pinot Noir.
