POINTS

“For a Sonoma, California Chardonnay, this bottle from Decoy is an excellent value. With well balanced acidity mingling with rich fruit flavors and a measure of spicy oak, this white wine is hard to pass up. It was fermented in both stainless steel and barrels, and then aged in oak, including 25% new barrels.”

“A bold array of ripe melon and peaches with hints of mangoes, too. The palate has a rich array of fresh and succulent fruit with smooth, juicy resolve.”
