WASHINGTON

## 2019 COLUMBIA VALLEY CABERNET SAUVIGNON

91  
POINTS

“A few years back Duckhorn expanded their operations in to Washington State with the Canvasback line. This Greenwing bottling is made in a drink me now style, with expected Cabernet character in both aroma and flavor profiles, a supple grip and a medium long finish. It will last a while in the cellar as well -- up to five years is a safe bet. Contains 17% Merlot and 5% Syrah.”
