

# 2020 MIGRATION SONOMA COAST CHARDONNAY

---

## Key Accolades

v20 93 Pts., *Wine & Spirits*.

## Tasting Notes

Both rich and radiant, this wine offers a lovely array of aromas that include honeysuckle, citrus blossom, lemon zest and crème brûlée. The citrus and floral notes are echoed on the palate, where they are framed by balanced acidity and hints of toasted oak, vanilla and honey from aging in French oak barrels.
