“Black cherries, blue plums and violets followed by sage, graphite, mint chocolate and cloves. Underlying saline notes. Full-bodied, firm yet finely grained tannins with soft yet bright acidity. Expressive on the nose but it doesn’t have any heaviness on the palate. Beautiful drinkability with zesty layers to it.”

“The 2021 vintage is making some noise in the northern part of the state as well as the central and southern reaches, and it is a beautiful noise as evidenced here. Black cherry and currant dance with toasty oak here, with pepper and bay leaf accents in aroma and flavor. A little barrel tannin shows in the finish, but it’s unobtrusive.”
