

DUCKHORN VINEYARDS

2021 NORTH COAST SAUVIGNON BLANC

92
POINTS

“A mix of ruby grapefruit and white flower aromas is very attractive at the hello here, and the palate shows you in to the party with lively acidity, mixed citrus and a stony backbone that keeps the fruit pumping. A little new oak and five months sur lie before bottling keeps the complexity level up. I am happy to report that there’s no suffering in quality here though the appellation has widened out a bit -- jump right in! Contains 7% Semillion.”
