2021 SONOMA COAST CHARDONNAY

Outstanding

"A tangy and bright wine, with sliced-pineapple and olive-oil character on both the nose and palate. It's medium-to full-bodied with a transparent and clean finish. Vivid acidity. Toasted oak and spice. Partial malo."

"If you, like so many of us these days, are ready for a break from oaky, heavy California wines, check out this 2021 Chardonnay. With its complex and lightly honey-tinged aromas, its gossamer texture, generous finish and intricate web of fruit-driven flavors, this an excellent choice on its own or with food. It is light enough to be an escort for most seafood while also offering enough complexity to enhance poultry, cheese, or grain-based dishes."
