Featherweight

2024 CALIFORNIA SAUVIGNON BLANC

With a sleek 80 calories per serving, Decoy Featherweight is a lively and enticing Sauvignon Blanc crafted to the highest standards using grapes from the finest vineyards in California.

VINTAGE NOTES

The 2024 growing season was shaped by warmer-than-average temperatures, with budbreak occurring two to three weeks earlier than in 2023. White grapes stood out with impressive cluster weight, while in some regions, cooler yet sunny conditions extended hangtime, enhancing flavor development. Harvested occurred from late August through September across California, benefitting from steady warmth. The resulting wines display vibrant aromatics, rich textures and balanced acidity, making 2024 a standout vintage for expressive, layered white wines.

WINEMAKING NOTES

Built for bright, easy enjoyment, this Featherweight Sauvignon Blanc brings together aromas of lychee, green apple, and citrus zest with hints of pineapple and Meyer lemon. On the palate, crisp acidity and a clean texture lift bold citrus flavors and a subtle note of green banana. Lower in alcohol* and calories*, it offers vibrant flavor in a lighter, refreshing style.
