

2023 NAPA VALLEY CABERNET SAUVIGNON

Established in 1976 by renowned vintners Margaret and Dan Duckhorn, Duckhorn Vineyards is an iconic Napa Valley winery deeply rooted in a rich legacy of tradition. This Cabernet Sauvignon embodies the complexity of the valley and is a testament to the artistry and dedication that defines each vintage of our storied history.

VINTAGE NOTES

In 2023, heavy winter and spring rains delayed budbreak and set the stage for one of the latest vintages in decades. Cooler spring temperatures led to an extended flowering period with our team applying post-veraison thinning to achieve a balanced crop. As the season progressed, temperatures remained below average, which provided additional hangtime but required extra patience. Our patience paid off, with 2023 offering one of our most unique and rewarding vintages to date! Semillon harvest began on August 28th with Sauvignon Blanc soon following. With no significant heat events, the grapes were able to ripen beautifully. Harvest concluded on November 9th with Cabernet Sauvignon from Oak Knoll and Howell Mountain. Our 2023 whites are crisp, with ideal flavor development and bright acids, and the reds are pure, supple and balanced, with vibrant acidity, fresh flavors, and intense colors.

WINEMAKING NOTES

With bold fruit and sculpted tannins, this Cabernet commands attention with poise and dimension. Aromas of boysenberry, black currant, and huckleberry are layered with bay leaf, baking spice, and a hint of pie crust. On the palate, blueberry, wet slate, and graham cracker move with depth and energy across a well-defined structure. The finish lingers with black cassis and cedar, offering length, clarity, and quiet strength.
