Exciting, distinctive; a wine that transcends simple typicity to its region or variety; a vivid, singular expression of place

“A dark and heady wine, all crushed berries and dark spices, this Cabernet marries sump-tuous oak spice with deep, powerful fruit. A big and burly classic from Red Mountain, this wine’s tannins feel powerful and balanced at once.”

Outstanding

“Blackcurrants, brambleberries, toasted walnuts, spice box, sandalwood and dried flowers on the nose. It's medium-to-full-bodied with firm, fine-grained tannins and fresh acidity. Structured and precise with tight layers of dark fruit and spice. Focused.”

An outstanding wine of exceptional complexity and character. In short, these are terrific wines

“The 2018 Red Mountain Cabernet Sauvignon starts with a firm, dusty and juicy nose with aromas of tasty black cherry, wilted lavender and roses with elements of redcurrants and crème de cassis. Medium to full-bodied, the palate is juicy and features dusty tannins, with flavors of black plum and juicy black Raspberry skin across the mid-palate. The Cabernet concludes with firm, tannic edge and a lingering flavor of crème de violette. This rested for 20 months in French oak, 40% new, and represents a great value for the price.”
