

2023 CALIFORNIA PINOT NOIR

Established more than 30 years ago by legendary vintners Dan and Margaret Duckhorn, our roots run deep at Decoy. From vine to bottle, we craft our wines to the highest standards, only using grapes from exceptional vineyards, including from our own estate properties.

VINTAGE NOTES

The 2023 California growing season began with abundant winter rains, revitalizing soils after years of drought. Cool spring temperatures delayed ripening by two to four weeks. Harvest started on September 7th and intensified in late September with warmer weather, alternating heat waves, and cooling trends. October's warmth helped achieve optimal ripeness and maturity. Harvest wrapped up on November 9th. The extended season resulted in red wines with depth, texture, and rich color, while white wines displayed delicate aromatics, vibrant acidity, and balanced structure.

WINEMAKING NOTES

Sourced from carefully chosen California vineyards, this Pinot Noir opens with vibrant notes of dark raspberry and cherry. On the palate, juicy boysenberry and supple tannins create a rich, layered texture, with depth and elegance achieved through refined oak selection. The finish is bold yet graceful, showcasing a more expressive style of Pinot Noir.
