CABERNET SAUVIGNON

ALEXANDER VALLEY

2024

VINTAGE NOTES

The 2024 growing season was shaped by warmer-than-average temperatures, with budbreak occurring two to three weeks earlier than in 2023. After a record-breaking July, late August heat pushed veraison to completion in Alexander Valley's Bordeaux varieties. September's alternating heat spikes and cool downs allowed for full ripening and concentrated flavors. With smaller Cabernet Sauvignon and Merlot yields, the wines display remarkable depth and structure, promising a complex, layered 2024 vintage.

WINEMAKING NOTES

Capturing the depth and richness of Alexander Valley Cabernet Sauvignon, this vintage offers aromas of brambly blackberry and blueberry pie, framed by sweet oak and a touch of spice. The palate is full-bodied and concentrated, with dark, juicy fruit and smooth, supple tannins carrying through a long, rich finish.
