VINTAGE NOTES

The 2024 growing season was shaped by warmer-than-average temperatures, with budbreak occurring two to three weeks earlier than in 2023. July's record-breaking heat was followed by a milder August, while late-season heat spikes in the Russian River Valley and Northern Sonoma County were balanced by extended cooling periods. This cycle of warmth and reprieve allowed for optimal ripening, resulting in red wines with deep color, rich concentration and layers of dark fruit.

WINEMAKING NOTES

This Pinot Noir opens with aromas of dark cherry and ripe raspberry, complemented by notes of baking spice and roasted cinnamon. The palate is juicy and fresh, with ripe red fruit flavors, soft tannins, and balanced acidity providing structure and lift. A long finish of warm baking spice adds depth and complexity.
