"Aromas of fresh apple, river rocks, orange blossom and a whisper of flint swirl on the nose of this Chard, while the palate delivers lively acidity with flavors of pithy Meyer lemon, white flowers, grilled brioche and pineapple sage with a lovely salty grip at the finish. Delicious now, this will show beautifully for at least a decade."

"A bright golden yellow hue, the 2023 Chardonnay One-Sixteen reveals hay, beeswax, golden apples, lemon rind, and pineapple rind. Full-bodied yet balanced, its hazelnut richness and ripe melon fruit are carried by excellent freshness. Drink over the coming decade."

- Audrey Frick, Jeb Dunnuck, June 2026

"Grilled pineapple, ripe peach, melon and lemon curd flavors are generous, plump and juicy. Offers accents of fresh citrus zest and candied ginger alongside a drizzle of wildflower honey. Vibrant acidity keeps the flavors fresh and in focus, with warm baking spices including white cardamom and clove lingering on the finish. "
