"Dazzling aromas of crystalline cherry, cranberry, cinnamon and tangerine zest highlight the nose of this Pinot. The palate brings a wave of lavish acidity and plush tannin, with flavors of concentrated cherry, cassis, purple flowers and cola spice that go on and on."

- Tom R. Capo, Wine Enthusiast, November 2025

"A youthful medium red hue, the 2023 Pinot Noir Sonoma Coast reveals nutmeg, pomegranate, wildflowers, blue fruit, and brambly earth. Slightly lush in texture, with excellent length and balanced tannins, drink it over the coming 12-15 years."

- Billy Norris, Vinous, January 2026

"The 2023 Pinot Noir Russian River Valley is blended from several vineyards, including Bootlegger's Hill, Giusti Ranch, Jenkins and Treehouse, and offers a lovely high-toned, red-fruited expression that is reflective of the cool growing season. Matured for 16 months in 40% new French oak, intense aromas of pomegranate, tangerine peel, rose petal, rooibos tea and conifer pour from the glass. The full-bodied palate is bursting with spicy red fruit flavors. It's structured by fine, chalky tannins, and the vibrant acidity drives a long, energetic finish."

- Erin Brooks, Wine Advocate, September 2025
