"A youthful medium red hue, the 2023 Pinot Noir Sonoma Coast reveals nutmeg, pomegranate, wildflowers, blue fruit, and brambly earth. Slightly lush in texture, with excellent length and balanced tannins, drink it over the coming 12-15 years."

- Audrey Frick, Jeb Dunnuck, June 2026

"The nose of this Pinot jumps with aromas of concentrated Bing cherry, plum and dark cocoa, while the palate displays generous tannin balanced by zippy acidity and flavors of berry coulis, sandalwood and shitake. Rest this in the cellar for 5-10 years and drink with roasted pork and mushrooms."
