"Lovely and lush aromas of raspberry, cherry and rose petal draw the nose into this bottling. The palate is bright with berry sorbet and rosewater flavors that are framed by a chalky texture, proving quite engaging long into the finish."

- Matt Kettmann, Wine Enthusiast, November 2025

"The 2023 Pinot Noir Sta. Rita Hills is blended from several vineyards, including Rita's Crown, Sanford & Benedict, La Encantada, Radian and Peake Ranch. Matured for 16 months in 40% new French oak, the nose is bursting with pure wafts of raspberry, cranberry, red licorice, saline and alluring herbal undertones. The full-bodied palate matches concentrated flavors with well-integrated new oak spice. It's framed by silky tannins and vibrant acidity and has a long, layered finish."

- Erin Brooks, Wine Advocate, September 2025
