## 2018 NAPA VALLEY MERLOT

92  
POINTS

“This wine gets at Merlot’s capacity to deliver both black and red berry fruit together in a way that keeps each distinct from the other. A firm structure and big grip has the fruit subdued at present, but as the oak folds in this will be beautiful. I would cellar at least five years before going in. Note: I tasted this blind, and am not surprised at all by my notes when considering the source.”
