

DUCKHORN VINEYARDS

2020 NAPA VALLEY SAUVIGNON BLANC

92
POINTS

“Duckhorn Vineyard’s Sauvignon Blanc style is a classic, and yet an anomaly for California. The wine is dry and medium-bodied, with gentle aromas and flavors of smoke, melon, and lime along with a slight tang of tangerine. The texture is richly silky, with the wine’s acidity interwoven, along with the concentrated flavors. If you pause to notice the long finish, you realize how complete the wine is, from nose through final expression.”
